

Education Policy – St. Clair County IL 508

Consistent with the CoC Program Interim Rule [24 CFR 578.23](#) and the [Title V of the McKinney-Vento Homeless Assistance Act, Public Law 101-645 \(42 U.S.C. 11411\)](#), all CoC and ESG programs assisting families with children or unaccompanied youth must:

- A. Take the educational needs of children into account when placing families in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education.
- B. Inform families with children, high school students and unaccompanied youth of their educational rights, including providing written materials, help with enrollment, and linkage to McKinney Vento Liaisons (both K-12 and college) as part of intake procedures. In the case of projects that provide housing or services to families, designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and facilitate the enrollment, attendance, and success in school of homeless children, high school students and unaccompanied youth. This includes addressing problems due to transportation needs, immunization and residency requirements, lack of birth certificates and school records, and guardianship issues.
- C. Not require children and unaccompanied youth to enroll in a new school as a condition of receiving services.
- D. Allow parents or the youth (if unaccompanied) to make decisions about school placement.
- E. Not require children and unaccompanied youth to attend after-school or educational programs that would replace/interfere with regular day school or prohibit them from staying enrolled in their original school.
- F. Post notices of student's rights at each program site that serves homeless children and families in appropriate languages.
