## St. Clair County, Illinois Organizational Chart

# APPROPRIATION PROCEDURES

The rules listed below will apply to the 2026 Appropriation.

1. The Finance Committee will approve Requests for Budget Adjustment when such requests call for transfers from:
  1. Full-time personnel line items to part-time personnel line items.
  2. Non-personnel line items to non-personnel items.
  3. Personnel line items to non-personnel line items.
2. The Finance Committee WILL NOT approve Requests for Budget Adjustment when such requests call for transfers from:
  1. Non-personnel line items to personnel line items without County Board approval.
  2. From part-time to create new line items for a full-time employee or to full-time line items without County Board approval.
3. The part-time line item will be used for temporary positions. Fringe benefits will not be paid on part-time positions, unless otherwise specified by ordinance.
4. Full-time individuals will only be transferred to other full-time job slots if such transfer will result in a permanent promotion or demotion. All personnel budget adjustments will be accomplished by transferring money to the appropriate personnel line item.
5. Only one person may occupy an appropriated full-time position. A position is considered occupied until the current person is terminated by Human Resources and all papers are processed.
6. Line items listed as "Other Personnel" cannot be transferred to any other line item unless authorized by the Finance Committee.
7. Requests for Budget Adjustment must be received in the Office of Administration by the second Thursday preceding the monthly County Board meeting in order to be acted upon at that monthly County Board Meeting.
8. Grants received by any office that requires matching funds, including salaries, fringes, or support costs, will not be sanctioned unless approved by the Finance Committee prior to commencement.
9. No County General or other funds will be authorized to extend employment of grant supported employees.

10. All contingency funds created for the purpose of grant-funded programs cannot be expended until a valid grant agreement is executed by both parties or the County Board agrees to the expenditures.
11. Employees cannot be transferred from a non-general fund cost center to a general fund cost center for purposes of making payroll or paying overtime/benefits unless approved by the Finance Committee before such a transfer occurs.
12. Because the County Clerk, Public Health, Sheriff and Zoning Offices administer two funds within their collective offices, transfers between the two office funds will be permitted. All other transfer rules still apply.

Adopted by the St. Clair County Board on November 24, 2025.
