AN ORDINANCE AMENDING THE REVISED CODE OF ST. CLAIR COUNTY, ILLINOIS, GRANTING A REZONING FOR PROPERTY OWNED BY THE SCHEIBEL 2006 REVOCABLE TRUST, AND APPLIED FOR BY EXIT 21 PROPERTIES LLC (THOMAS REHKEMPER), ON PROPERTY KNOWN AS XXXX STATE RTE 158, LEBANON, ILLINOIS, IN O'FALLON TOWNSHIP. (2026-01-ZA)

WHEREAS, a public hearing was held in the County Board Room, 5th Floor, St. Clair County Building, #10 Public Square, Belleville, Illinois, on October 6, 2026 at 6:30 P.M., before the Zoning Board of Appeals and notice of said hearing was duly given; and,

WHEREAS, a petition was presented requesting the granting of a Zoning Amendment to change the zone district classification of certain tracts of land from "A" Agricultural Industry Zone District to "I-1" Research & Assembly Industrial District, on the hereinafter described property: Pt of Lot 3 & Pt of Lot 4 located in the NW 1/4 of Section 34, T. 2 N., R. 7 W., of the 3rd P.M., St. Clair County, Illinois containing a combined 8.25-acres more or less, which is known as XXXX State Rte 158, Lebanon, Illinois, in O'Fallon Township; and,

WHEREAS, on October 6, 2026, the Zoning Board of Appeals after considering evidence and testimony presented at this hearing; after considering all relevant sections of the St. Clair County Zoning Code; and after further consideration of this matter; granted the applicants Zoning

Amendment (2026-01-ZA) based upon the following findings and subject to the following stipulations:

- (1) The existing zoning of the parcels in question (PPN: 04-34.0-100-008 & 009) is "A" Agricultural, and both parcels are vacant and used solely at this time for row-crop purposes. The parcels in question have been vacant for a number of years, and there has been no known proposed residential development or agricultural development of the parcels, other than the growing of row crops.
- (2) The parcel immediately west and north of the parcels in question are inside the municipal limits of O'Fallon and have been utilized for over 15 years for commercial or industrial uses—IDOT equipment and salt facility. The parcels to the east and south, while predominately utilized for agricultural purposes, are located adjacent to a major intersection of I-64 and Air Mobility Drive, and therefore, commercial/business development in this area can be expected.
- (3) The parcels in question are currently being utilized for agricultural purposes; however, due to their size, 6.68 acres in total, and LESA score of 148, the continued use of these parcels for agricultural purposes is not the highest and best use, particularly given their proximity to I-64.
- (4) Given the parcels proximity to I-64, adjacent use of an IDOT facility, and the current zoning of the parcels just west of Air Mobility Drive—I-1 and B-1, the parcels in question are suitable for an I-1 zoning designation and the uses proposed by the Applicant.
- (5) The trend of development in this general area is commercial to industrial in nature. The parcels in question are located near a major interstate, I-64, with on and off ramps at this location. This area provides access to Scott Air Force Base, and this corridor is slated for various commercial and industrial developments.
- (6) The Comprehensive Plan calls for commercial use, and thus, a rezoning would be in harmony with the County's Comprehensive Plan.
- (7) The LESA score is 148, which is a low score for agricultural retention. (A score of 179 and lower is considered low for agricultural retention.) While the subject property is being utilized for agricultural row crop purposes, the two parcels are too small to make a sustainable farm, and the LESA score is too low to justify retaining as farm ground.

WHEREAS, the County Board of St. Clair County, Illinois, concur in the aforesaid findings and recommendations of the Zoning Board of Appeals;

NOW, THEREFORE BE IT ORDAINED, by the County Board of St. Clair County, Illinois, that the request for a Zoning Amendment be Granted.

ADOPTED BY ORDINANCE, this 26th day of October, 2026.

THOMAS HOLBROOK, COUNTY CLERK

St. Clair County Zoning Board of Appeals' ADVISORY REPORT TO THE ST. CLAIR COUNTY BOARD

ADVISORY REPORT 2026-01-ZA

Application By: Exit 21 Properties, LLC, 220 E. State Street – Suite 2C, O'Fallon, IL
Owner: The Scheibel 2006 Revocable Trust, 10 Santa Gabriella Ct., Novato, California

Case #: 2026-01-ZA

Application Filed: 08/25/2026

Publication Date: 09/16/2026

Hearing Date & Time: 10/6/26 @ 6:30 p.m.

Request: A request for a Zoning Amendment to change the zoning district classification of certain tracts of land from "A" Agricultural Industry Zone District to "I-1" Research & Assembly Industrial District, on property known as XXXX State Rte. 158, Lebanon, Illinois, in O'Fallon Township (PPN: 04-34.0-100-008 & 009).

Zoning Board of Appeals Members Present: S. Penny, S. Howell, K. Heberer, & S. Lindauer

County Board Members Present at Hearing: Robert Wilhelm.

Testimony: The Applicant was represented by attorney Hrant Norsigian, Jr. Also present on behalf of the Applicant was Thomas Rehkemper. Attorney Norsigian presented the Applicant's request for rezoning and submitted an exhibit addressing the six factors to be considered in evaluating a proposed zoning amendment, together with various maps and supporting materials. Both Mr. Norsigian and Mr. Rehkemper testified that the subject property is not well-suited for residential or light commercial development. Although the property is currently zoned agricultural and is being utilized for farming purposes, they indicated that, given its relatively small size of approximately 6.68 acres, continued agricultural use does not represent the property's highest and best use. They further noted that the property is immediately adjacent to an Illinois Department of Transportation (IDOT) equipment storage and salt facility, which is industrial in character and operation.

Attorney Norsigian addressed each of the six factors relevant to the proposed zoning amendment, presenting evidence and argument in support of the Applicant's request to rezone the property to "I-1" Industrial. He explained that the Applicant intends to develop the property for industrial-related purposes, with potential uses including self-storage facilities, wholesale distribution of construction materials, and the storage or sale of construction equipment. Mr. Norsigian further noted that many of the surrounding properties are presently zoned for industrial or commercial uses and that the prevailing pattern of development in the surrounding area is predominantly industrial and commercial in nature. He emphasized that the property's proximity to Interstate 64 makes the area particularly suitable for transportation, manufacturing, logistics, and other industrial or commercial activities. With respect to access, Mr. Norsigian explained that the property is served by Shiloh Valley Township Line Road, a service road, and that Parcel No. 04-34.0-100-009 has approximately 40 feet of frontage along said roadway. The adjoining parcel, identified as Parcel No. 04-34.0-100-008, does not have independent frontage on the service road and would therefore require access through Parcel No. 04-34.0-100-009, both parcels being included in the pending rezoning application. Finally, Mr. Norsigian noted that the County's Comprehensive Plan designates the subject property for future commercial use, which he cited as further support for the proposed rezoning.

The Zoning Board Members reviewed the application, noted the surrounding uses and zoning, inquired of the IDOT's facility possible encroachment onto the parcels in question, and further discussed the six factors with the Applicant and those present. The Zoning Board noted that the LESA score is 148, which is low for agricultural retention.

County Board Member Robert Wilhelm testified in support of the rezoning.

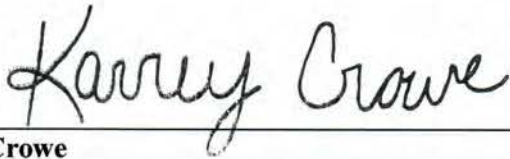

No other persons were present to testify for or against the Application.

Witnesses having been sworn, testimony and evidence presented, and the Zoning Board of Appeals being fully advised in the premises, and the Board having considered the following in conjunction therewith, and found:

- (1) *Existing use(s) and zoning of the property in question. **The Board found as follows:*** The existing zoning of the parcels in question (PPN: 04-34.0-100-008 & 009) is "A" Agricultural, and both parcels are vacant and used solely at this time for row-crop purposes. The parcels in question have been vacant for a number of years, and there has been no known proposed residential development or agricultural development of the parcels, other than the growing of row crops.
- (2) *Existing use(s) and zoning of other lots in the vicinity of the property in question. **The Board found as follows:*** The parcel immediately west and north of the parcels in question are inside the municipal limits of O'Fallon and have been utilized for over 15 years for commercial or industrial uses—IDOT equipment and salt facility. The parcels to the east and south, while predominately utilized for agricultural purposes, are located adjacent to a major intersection of I-64 and Air Mobility Drive, and therefore, commercial/business development in this area can be expected.
- (3) *Suitability of the property in question for uses already permitted under existing regulations **The Board found as follows:*** The parcels in question are currently being utilized for agricultural purposes; however, due to their size, 6.68 acres in total, and LESA score of 148, the continued use of these parcels for agricultural purposes is not the highest and best use, particularly given their proximity to I-64.
- (4) *Suitability of the property in question for the proposed use. **The Board found as follows:*** Given the parcels proximity to I-64, adjacent use of an IDOT facility, and the current zoning of the parcels just west of Air Mobility Drive—I-1 and B-1, the parcels in question are suitable for an I-1 zoning designation and the uses proposed by the Applicant.
- (5) *The trend of development in the vicinity of the property in question, including change (if any) which may have occurred since the property was initially zoned or last rezoned. **The Board found as follows:*** The trend of development in this general area is commercial to industrial in nature. The parcels in question are located near a major interstate, I-64, with on and off ramps at this location. This area provides access to Scott Air Force Base, and this corridor is slated for various commercial and industrial developments.
- (6) *Degree of compliance and the effect the proposed rezoning would have on implementation of the County's Comprehensive Plan. **The Board found as follows:*** The Comprehensive Plan calls for commercial use, and thus, a rezoning would be in harmony with the County's Comprehensive Plan.
- (7) *If required, has a LESA review been submitted and supports a zoning change. **The Board found as follows:*** The LESA score is 148, which is a low score for agricultural retention. (A score of 179 and lower is considered low for agricultural retention.) While the subject property is being utilized for agricultural row crop purposes, the two parcels are too small to make a sustainable farm, and the LESA score is too low to justify retaining as farm ground.

A motion was made by K. Heberer to GRANT the request. The motion was seconded by S. Lindauer. The members of the Board voted as follows: S. Penny-Yes, S. Lindauer-Yes, S. Howell-Yes, & K. Heberer-Yes. The motion carried 4 to 0.

IT IS THEREFORE THE RECOMMENDATION OF THE ST. CLAIR COUNTY ZONING BOARD OF APPEALS THAT THE REQUESTED ZONING AMENDMENT BE GRANTED, FOR THE AFOREMENTIONED REASONS, BY A MAJORITY OF ALL MEMBERS PRESENT.

A RESOLUTION GRANTING A REQUEST FOR A SPECIAL USE PERMIT BY LINDA L. MENTZER TRUST (THOMAS A. MENTZER TRUSTEE), OWNERS AND DBT PROPERTIES, LLC D/B/A M & M SALES, SERVICE & RENTALS LLC, APPLICANTS, FOR PROPERTY LOCATED AT 4412 MASCOUTAH AVENUE, BELLEVILLE, ILLINOIS, IN SHILOH VALLEY TOWNSHIP. (CASE #2026-03-SP)

WHEREAS, a public hearing was held in the County Board Room, 5th Floor, St. Clair County Building, #10 Public Square, Belleville, Illinois, on October 6, 2026 at 6:00 P.M., before the Zoning Board and notice of said hearing was duly given; and,

WHEREAS, on October 6, 2026, the Zoning Board of Appeals after hearing the testimony and evidence presented; after considering all relevant sections of the St. Clair County Zoning Code, and after further consideration of the matter, granted the applicant's a Special Use Permit to modify/amend an existing Planned Building Development that was previously granted pursuant to Section 40-9-3(H)(3), in that the Applicant desires to expand/modify the site plan submitted in Case 2012-15-SP to include an additional 42 ft. x 131 ft. storage building in an "A" Agricultural Industry Zone District due to the following:

The Board found and concluded as follows:

- (1) The location and type of modification (i.e., additional structure), and the operation thereof, would adequately protect the public's health, safety and welfare and the physical environment.
- (2) Although the existing Planned Building Development, originally approved and subsequently modified in 2012, is not entirely consistent with the County's Comprehensive Plan, the self-storage facility has been in operation since at least 2012 without any reported issues or adverse impacts upon surrounding properties. The continued operation and expansion of the facility over the years demonstrate an ongoing demand for this type of business within the surrounding community. The proposed construction of an additional building specifically designed for the storage of campers and recreational vehicles (RVs) represents a logical and compatible expansion of the existing self-storage facility and

is consistent with the established use and development of the subject property. Accordingly, the proposed expansion is in harmony with the existing development, is compatible with the character of the surrounding area, and serves the storage needs of County residents, notwithstanding the property's designation under the County's Comprehensive Plan.

- (3) The proposed modification will not negatively impact the value of neighboring property and will likely increase the County's overall tax base.
- (4) The proposed modification of the existing Planned Building Development will have no appreciable effect on public utilities and traffic circulation.
- (5) There are no facilities (i.e., schools or hospitals) that require special consideration.
- (6) The proposed modification of the existing Planned Building Development by the addition of one shed/storage structure in this rural area will be compatible with uses in the general vicinity.

WHEREAS, the County Board of St. Clair, Illinois, concur with the aforesaid findings, conditions and recommendations of the Zoning Board of Appeals;

NOW, THEREFORE BE IT RESOLVED, by the County Board of St. Clair County, Illinois, that the request for a **SPECIAL USE PERMIT** be Granted.

ADOPTED, this 26th day of October, 2026.

St. Clair County Zoning Board of Appeals' ADVISORY REPORT TO THE ST. CLAIR COUNTY BOARD

ADVISORY REPORT 2026-03-SP

Application By: DBT Properties, LLC (d/b/a M&M Storage), 4412 Mascoutah Ave., Belleville, IL **Case #:** 2026-03-SP
Owner: Linda L. Mentzer Trust (Thomas A. Mentzer Trustee), 6709 Augies Way Place, Millstadt, IL

Application Filed: 08/24/2026

Publication Date: 09/20/2026

Hearing Dates: 10/06/26@6:00 p.m.

Request: A Special Use Permit to modify/amend an existing Planned Building Development that was previously granted pursuant to Section 40-9-3(H)(3), in that the Applicant desires to expand/modify the site plan submitted in Case #2012-15-SP to include an additional 42 ft. x. 131 ft. storage building in an "A" Agricultural Industry Zone District, on property commonly known as 4412 Mascoutah Avenue, Belleville, Illinois, in Shiloh Valley Township (PPN: 09-26.0-400-016).

Zoning Board of Appeals Members Present: S. Penny, K. Heberer, S. Howell, & S. Lindauer

County Board Members Present at Hearing: Jana Moll

Testimony/Evidence Presented:

The Applicant appeared at the hearing through its members/managers, Thomas Mentzer, Brian Mentzer, and Kevin Shipp. Mr. Thomas Mentzer provided the majority of the testimony on behalf of the Applicant and explained that the Applicant seeks approval to construct an additional building on the subject property for the storage of campers and recreational vehicles (RVs). The proposed building would measure approximately 42 feet by 131 feet, with sidewalls approximately 16 feet in height. The building would contain ten (10) individual garage doors, each measuring 12 feet wide by 14 feet high, to accommodate the storage of campers and RVs. Mr. Mentzer explained that the garage doors would be manually operated and that a concrete apron would be installed along the exterior of the building in front of the garage doors. The interior of the building would consist of a compacted rock floor, with no permanent partitions separating the individual storage bays. Each bay would be equipped with a light fixture and an electrical outlet to permit customers to maintain or charge the batteries of their campers or RVs while in storage. Mr. Mentzer further testified that the proposed building would be consistent in appearance and construction with the existing storage buildings on the property. As depicted on the site plan submitted with the application, the garage doors would face east.

Mr. Mentzer further testified that the proposed building would likely represent the final expansion of the storage facility, as the subject property has limited remaining space available to accommodate additional structures. He explained that, if the requested approval is granted, the Applicant intends to remove several existing structures and items presently located within the area designated for the proposed building. Specifically, the Applicant represented that the existing mobile home, two (2) small storage sheds, a propane tank, and two (2) fire pits would be removed from the subject property to accommodate construction of the new storage building. Mr. Mentzer confirmed that these structures and items would be removed from the site as part of the proposed development.

County Board Jana Moll was present and expressed her support for the application and had no objection to the same.

There were no other persons present who provided testimony in support or against the application.

Additional discussion was had between the representatives of the Applicant and the Zoning Board of Appeals regarding the business conducted on the premises, the current buildings, the proposed building, and that there will continue to be no outside storage.

Witnesses having been sworn, testimony and evidence presented, and the Zoning Board of Appeals being fully advised in the premises:

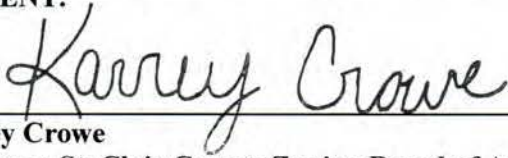

The Board found and concluded as follows:

- (1) Whether the proposed design, location, development and operation of the proposed Special Use will adequately protect the public health, safety, and welfare and the physical environment. **The Board found as follows:** The location and type of modification (i.e., additional structure), and the operation thereof, would adequately protect the public's health, safety and welfare and the physical environment.
- (2) Whether the proposed Special Use is consistent with the County's Comprehensive Plan. **The Board found as follows:** Although the existing Planned Building Development, originally approved and subsequently modified in 2012, is not entirely consistent with the County's Comprehensive Plan, the self-storage facility has been in operation since at least 2012 without any reported issues or adverse impacts upon surrounding properties. The continued operation and expansion of the facility over the years demonstrate an ongoing demand for this type of business within the surrounding community. The proposed construction of an additional building specifically designed for the storage of campers and recreational vehicles (RVs) represents a logical and compatible expansion of the existing self-storage facility and is consistent with the established use and development of the subject property. Accordingly, the proposed expansion is in harmony with the existing development, is compatible with the character of the surrounding area, and serves the storage needs of County residents, notwithstanding the property's designation under the County's Comprehensive Plan.
- (3) The effect the proposed Special Use may have on the value of the neighboring property and on the County's overall tax base. **The Board found as follows:** The proposed modification will not negatively impact the value of neighboring property and will likely increase the County's overall tax base.
- (4) The availability and the effect the proposed Special Use would have on the public utilities and on traffic circulation on nearby streets. **The Board found as follows:** The proposed modification of the existing Planned Building Development will have no appreciable effect on public utilities and traffic circulation.
- (5) Whether there are any facilities near the proposed Special Use (such as schools or hospitals) that require special consideration. **The Board found as follows:** There are no facilities (i.e., schools or hospitals) that require special consideration.
- (6) Whether the proposed Special Use is compatible to adjacent uses and uses in the general vicinity. **The Board found as follows:** The proposed modification of the existing Planned Building Development by the addition of one shed/storage structure in this rural area will be compatible with uses in the general vicinity.
- (7) The time period for which the Special Use Permit should be granted or any special requirements for certification of continued compliance with the terms of approval. **The Board found as follows:** None.

A motion was made by S. Howell to **GRANT** the request. The motion was seconded by S. Lindauer. The members of the Board voted as follows: S. Penny-Yes, S. Howell-Yes, K. Heberer-Yes, and S. Lindauer-Yes. The motion carried (4 to 0).

IT IS THEREFORE THE RECOMMENDATION OF THE ST. CLAIR COUNTY ZONING BOARD OF APPEALS THAT THE REQUESTED SPECIAL USE PERMIT BE GRANTED FOR THE AFOREMENTIONED

REASONS AND WITH THE AFOREMENTIONED CONDITIONS BY A MAJORITY OF ALL MEMBERS

A RESOLUTION GRANTING A REQUEST FOR A SPECIAL USE PERMIT FOR A PLANNED BUILDING DEVELOPMENT BY MAGDOW PROPERTIES LLC (BRIAN & NICOLE MUENCHAU), OWNERS AND APPLICANTS, FOR PROPERTY LOCATED AT 10235 JEFFERSON ROAD, MASCOUTAH, ILLINOIS, IN ENGELMANN TOWNSHIP. (CASE #2026-04-PD)

WHEREAS, a public hearing was held in the County Board Room, 5th Floor, St. Clair County Building, #10 Public Square, Belleville, Illinois, on October 6, 2026 at 6:15 P.M., before the Zoning Board and notice of said hearing was duly given; and,

WHEREAS, on October 6, 2026, the Zoning Board of Appeals after hearing the testimony and evidence presented; after considering all relevant sections of the St. Clair County Zoning Code, and after further consideration of the matter, granted the applicant's a Special Use Permit for a Planned Development pursuant to Section 40-9-3(H)(3) to allow a Welding/Fabrication/Machine Shop in an "A" Agricultural Industry Zone District due to the following:

- (1) The location, type of use, and the operation thereof would adequately protect the public's health, safety and welfare and the physical environment.
- (2) Although the proposed use is not entirely consistent with the County's Comprehensive Plan, which identifies the area for agricultural preservation, there are other established businesses operating in the surrounding area. Furthermore, the Applicant's existing business has operated on the subject property for a number of years without any reported complaints from neighboring property owners. While the Comprehensive Plan encourages the preservation of agricultural land, the subject property has not been utilized for agricultural production for several years. Additionally, the property has a Land Evaluation and Site Assessment (LESA) score of 160, which is relatively low and indicates that the property is not a high priority for agricultural preservation. Accordingly, these factors support the continuation and proposed expansion of the existing business use notwithstanding its inconsistency with the agricultural preservation designation in the Comprehensive Plan.
- (3) The use will not negatively impact the value of neighboring property and will not have an adverse impact on the County's tax base.

- (4) The proposed Special Use will have no appreciable effect on public utilities and minimal impact on traffic circulation.
- (5) There are no facilities (i.e., schools or hospitals) that require special consideration.
- (6) While there are no adjacent similar businesses in the nearby area, there is a flooring business within a few parcels of the subject property, thus, property in this general area is being utilized for purposes other than farming or residential. Further, the rural nature of this area lends itself well to the business and proposed expansion.
- (7) As a condition of this Planned Development, the Applicant will operate within the hours identified, there will be no outside storage of materials utilized for the business, all dumpsters/receptacles utilized for waste materials and scrap metal, shall be located behind the building or screened from view, and the business shall not have more than 20 employees.

WHEREAS, the County Board of St. Clair, Illinois, concur with the aforesaid findings, conditions and recommendations of the Zoning Board of Appeals;

NOW, THEREFORE BE IT RESOLVED, by the County Board of St. Clair County, Illinois, that the request for a **SPECIAL USE PERMIT FOR A PLANNED BUILDING DEVELOPMENT** be granted.

St. Clair County Zoning Board of Appeals' ADVISORY REPORT TO THE ST. CLAIR COUNTY BOARD

ADVISORY REPORT 2026-04-PD

Application By: Magdow Properties LLC, 10235 Jefferson Road, Mascoutah, IL
Owners: Same as above.

Case #: 2026-04-PD

Application Filed: 08/31/2026

Publication Date: 09/16/2026

Hearing Date: 10/06/2026 @ 6:15 p.m.

Request: A Special Use Permit for a Planned Development pursuant to Section 40-9-3(H)(3) to allow a welding/fabrication/machine shop in an "A" Agricultural Industry Zone District, on property known as 10235 Jefferson Road, Mascoutah, Illinois, in Engelmann Township (PPN: 15-17.0-400-015).

Zoning Board of Appeals Members Present: S. Penny, K. Heberer, S. Howell, & S. Lindauer.

County Board Members Present at Hearing: Ed Cockrell & Kevin Dawson

Testimony:

The Applicant appeared through its members, Brian Muenchau and Nicole Muenchau. Mr. Muenchau provided the Board with a history of the business, including its establishment, growth, and operations at the subject property. He explained that he initially operated the business out of his mother's garage before relocating the operation to his personal residence. In approximately 2007, Mr. Muenchau purchased the subject property with the original intention of constructing his personal residence thereon. However, in 2010, he first constructed the existing building on the property and began operating his welding, fabrication, and machine shop business from that location. Mr. Muenchau indicated that the business initially operated on a part-time basis but experienced steady growth, ultimately prompting him to leave his corporate employment in 2019 to devote his full-time attention to the business. The business currently employs six (6) full-time employees, including Mr. Muenchau, and five (5) part-time employees. Its regular hours of operation are Monday through Friday, from 8:00 a.m. to 4:30 p.m. Mr. Muenchau stated that the business receives daily deliveries and shipments but generates minimal walk-in customer traffic. The existing operation is conducted within an approximately 4,300-square-foot building, with an established parking area that accommodates employee parking. Mr. Muenchau explained that, due to the continued growth of the business and the need for additional operational space, the Applicant proposes to construct an approximately 10,280-square-foot addition to the existing building, which will also include a designated employee break room and restroom facilities, as depicted on the site plan submitted with the application. He further represented that the proposed building addition will comply with all applicable setback requirements.

Mr. Muenchau presented letters of support from two adjacent property owners—Amici and Eidmans—such were submitted into the record.

The Zoning Board of Appeals questioned Mr. Muenchau regarding the substantial amount of materials presently stored outdoors on the subject property. In response, Mr. Muenchau testified that the proposed building addition would substantially alleviate the need for outdoor storage, as much of the material currently stored outside would be relocated within the expanded building. Mr. Muenchau also sought clarification regarding the continued use and placement of an outdoor receptacle for scrap materials. Members of the Zoning Board of Appeals advised that, if the Applicant's request is approved, the outdoor scrap receptacle could remain on the property, provided that it is relocated behind the building so as to be screened from view from the adjacent roadway, or, alternatively, that the Applicant construct an enclosed dumpster

area to screen the receptacle from public view. Additionally, the Applicant requested permission to install a sign measuring approximately three (3) feet by four (4) feet on the exterior of the building.

Adjacent landowner Kenneth Rasp, testified in support of the application and indicated that Muenchau/Magdow has been a good neighbor and asset to the area.

Kevin Dawson, testified as a friend of Brian Muenchau, not as a County Board Member; Mr. Dawson believes the proposed use of the property is its highest and best use, and he spoke in favor of the application.

County Board Member Ed Cockrell stated that he is in favor of the application and has no objection to continuing the ongoing business and its proposed expansion.

The Zoning Board Members inquired further of the Mr. Muenchau into the operation of the business, employees, traffic generated from/by the business, future expansion, and setbacks.

Additionally, it was noted that the Health Department had no issues with the application, but an appropriate septic/aeration system would need to be installed. The LESA score for the parcel in question is 160, which is low for agricultural retention.

No other persons appeared to testify for or against the application.

Witnesses having been sworn, testimony and evidence presented, and the Zoning Board of Appeals being fully advised in the premise, and the Board having considered the above, hereby concludes and finds as follows:

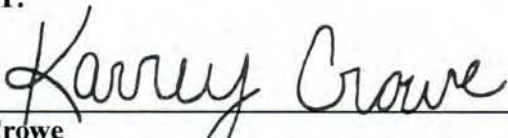

The Board found and concluded as follows:

- (1) *Whether the proposed design, location, development and operation of the proposed Special Use will adequately protect the public health, safety, and welfare and the physical environment.* **The Board found as follows:** The location, type of use, and the operation thereof would adequately protect the public's health, safety and welfare and the physical environment.
- (2) *Whether the proposed Special Use is consistent with the County's Comprehensive Plan.* **The Board found as follows:** Although the proposed use is not entirely consistent with the County's Comprehensive Plan, which identifies the area for agricultural preservation, there are other established businesses operating in the surrounding area. Furthermore, the Applicant's existing business has operated on the subject property for a number of years without any reported complaints from neighboring property owners. Additionally, the property has a Land Evaluation and Site Assessment (LESA) score of 160, which is relatively low and indicates that the property is not a high priority for agricultural preservation. Accordingly, these factors support the continuation and proposed expansion of the existing business use notwithstanding its inconsistency with the agricultural preservation designation in the Comprehensive Plan.
- (3) *The effect the proposed Special Use may have on the value of the neighboring property and on the County's overall tax base.* **The Board found as follows:** The use will not negatively impact the value of neighboring property and will not have an adverse impact on the County's tax base.
- (4) *The availability and the effect the proposed Special Use would have on the public utilities and on traffic circulation on nearby streets.* **The Board found as follows:** The proposed Special Use will have no appreciable effect on public utilities and minimal impact on traffic circulation.

- (5) Whether there are any facilities near the proposed Special Use (such as schools or hospitals) that require special consideration. **The Board found as follows:** There are no facilities (i.e., schools or hospitals) that require special consideration.
- (6) Whether the proposed Special Use is compatible to adjacent uses and uses in the general vicinity. **The Board found as follows:** While there are no adjacent similar businesses in the nearby area, there is a flooring business within a few parcels of the subject property, thus, property in this general area is being utilized for purposes other than farming or residential. Further, the rural nature of this area lends itself well to the business and proposed expansion. .
- (7) The time period for which the Special Use Permit should be granted or any special requirements for certification of continued compliance with the terms of approval. **The Board found as follows:** As a condition of this Planned Development, the Applicant will operate within the hours identified, there will be no outside storage of materials utilized for the business, all dumpsters/receptacles utilized for waste materials and scrap metal, shall be located behind the building or screened from view, and the business shall not have more than 20 employees.

A motion was made by S. Lindauer to **GRANT** the request subject to the above identified conditions. The motion was seconded by K. Heberer. The members of the Board voted as follows: S. Penny-Yes, K. Heberer-Yes, S. Lindauer-Yes, and S. Howell-Yes. The motion passed 4 to 0 to grant the request.

IT IS THEREFORE THE RECOMMENDATION OF THE ST. CLAIR COUNTY ZONING BOARD OF APPEALS THAT THE REQUESTED SPECIAL USE PERMIT BE GRANTED FOR THE AFOREMENTIONED REASONS, WITH THE ABOVE SPECIAL REQUIREMENT(S), BY A MAJORITY OF ALL MEMBERS PRESENT.
